FOREWORD

This newsletter is produced by TozziniFreire's International Strategy Group, also known as TFGlobal. Comprised of a multidisciplinary team of partners from our international desks, our professionals have deep knowledge and expertise in assisting overseas clients doing business in Brazil, as well as local clients doing business abroad.

In each edition of our Global Newsletter, our partners gather the main trends, hot topics and latest developments involving diverse sectors and industries in Brazil, aiming to help foreign clients and investors better understand the Brazilian market and its regulatory landscape.

Find out below what has been in the spotlight in Brazil over the last months.

INFRASTRUCTURE AND ENERGY

Offshore Wind Power Act is published

Aiming to foster investments in clean and renewable energy in Brazil, Law No. 15,097/2025, also known as Offshore Wind Act, was recently sanctioned, to regulate the generation of offshore wind power along the Brazilian coastline.

Our Infrastructure and Energy team has gathered the key guidelines of this new legal framework.
