

ARBITRATION

**Strategic and precise dispute resolution,
backed by global presence**

A reference in national and international disputes, our Arbitration practice has been actively involved in high-profile cases since the beginning of the practice in Brazil. With a highly specialized team of partners and associates with extensive experience, the firm works on proceedings conducted by prestigious arbitration centers in Brazil and abroad. Our professionals are members of relevant associations and are on the arbitration lists of traditional institutions, reinforcing our credibility and expertise.

Our multidisciplinary approach allows us to work collaboratively with other areas of law, enhancing our ability to handle complex disputes involving topics such as M&A, tax, environmental, labor, administrative, construction, energy, infrastructure, real estate, agribusiness, insurance and reinsurance, telecommunications, banking, and capital markets.

In addition to our expertise in arbitration proceedings, we have solid experience in judicial processes supporting and controlling arbitration, such as actions for the institution of arbitration, annulment of arbitration awards, and recognition of foreign awards. Our team is prepared to represent clients at all stages of the dispute, with a strategic and integrated approach.
