## EXPERIENCE

Sponsorship of administrative proceedings and lawsuits involving matters and interests from every type of industry.

Agility, creativity, and assertiveness form the cornerstones of TozziniFreire's Litigation practice. Our professionals use cutting-edge strategies and technology to create effective solutions that allow clients to avoid extensive litigation and delayed relief. Each case is handled as a unique claim and managed according to a customized plan that includes pre-litigation strategies with a proven record of success.

Comprised of highly qualified lawyers with broad experience in all classes of judicial disputes, our litigation team appears in state and federal courts throughout the Brazilian territory and issues legal opinions on a variety of topics.

The firm represents domestic and foreign clients in all areas of litigation, and maintains a strong reputation in corporate, contractual, credit recovery, banking, oil and gas, energy, intellectual property, environment, and aeronautics-related matters. The Litigation practice also regularly advises on regulatory and government-related claims, and represents clients in insurance, automotive, consumer, white-collar crime, antitrust, real estate, civil liability, and asset planning disputes.

## Services

- Integrated practice with other areas of the firm in the pre-litigation strategies formulation, including case and risk assessment, potential scenarios and notifications to the counterparty, as well as negotiation to make a deals avoiding litigation;
- Antitrust litigation, acting in lawsuits questioning CADE's decisions and in indemnification actions filed by those harmed by cartels;
- Litigation of public and administrative law, and compliance, working on lawsuits involving bids, defense in liability claims/administrative improbity, and annulment of administrative decisions;
- Judicial litigation of distribution and representation of commercial agreements and M&A/Corporate contracts;
- Court-supervised reorganization and bankruptcy proceedings by creditors and by investors or those interested in acquiring assets;
- Tech Litigation, assisting tech companies in judicial and administrative matters arising from the promulgation of the Brazilian Civil Rights Framework for the Internet and the Brazilian General Data Protection Law;
- Sponsorship and administration of civil, labor, and consumer affairs proceedings throughout the country, for clients with a significant number of lawsuits.
