

LITIGATION

Agile and strategic solutions for complex disputes throughout Brazil

Agility, creativity, and assertiveness define our Litigation practice, which is always use cutting-edge strategies and technology to create effective solutions that allow our clients to avoid extensive litigation and delayed relief. Each case is handled as a unique claim and managed according to a customized plan that includes pre-litigation strategies with a proven record of success.

We have a highly qualified team with broad experience in all classes of judicial disputes, working in state and federal courts throughout Brazil. We represent domestic and foreign companies in business litigation, including corporate, contractual, banking, credit recovery, oil and gas, energy, intellectual property, environmental, and aeronautics-related matters. We also have a strong presence in disputes involving regulatory agencies and public administration.

Our modern and effective Litigation practice also extends to areas such as insurance, automobile, consumer, white-collar crime, antitrust, real estate, civil liability, and estate planning, ensuring tangible outcomes aligned with our clients' goals.
