

PRIVATE EQUITY & VENTURE CAPITAL

**Multidisciplinary and strategic practice in PE
and VC with tailored legal solutions**

Our Private Equity and Venture Capital practice is recognized for its strategic and comprehensive approach across all stages of the investment cycle, from seed capital and angel investors to growth capital and traditional private equity.

With solid expertise in fund formation, asset acquisition, and portfolio structuring, the team advises domestic and foreign clients on transactions ranging from the simplest to the most complex, including fundraising rounds, mergers and acquisitions, and corporate venture capital structuring for companies across a variety of sectors.

The area stands out for its integrated approach with the firm's other leading practices, such as M&A, capital markets, fund structuring, financial transactions, tax, and labor law. This synergy allows for a comprehensive and efficient approach, especially in strategic sectors such as infrastructure, technology, agribusiness, finance, healthcare, telecommunications, real estate, insurance, and life sciences—areas of great interest to investors in emerging markets.

With a proven track record of success and active participation in renowned legal publications, our professionals are prepared to face the most sophisticated challenges in the private equity and venture capital markets, always focusing on innovation, legal certainty, and value creation for client+D11s.
