

TIMBERLAND INVESTMENT

Expertise in timberland investment: innovating for
the sustainable future of the sector

Our Timberland Investment team is fully qualified to handle all matters related to timber harvesting and forestry projects.

We have solid experience in all types of financing transactions involving forestry assets, as well as transactions secured by real estate and agricultural assets, securitization of real estate and agribusiness receivables, and the creation of all types of real estate funds and, more recently, Fiagros.

We are pioneers in developing innovative structures for sector operations. Along with other areas of the firm, the forestry investment group also works on mergers and acquisitions, privatizations, and public service concessions.
